Nagarjuna, the great 1st Century Indian Buddhist master, wrote ***Letter to a Friend*** to help King DeJu SangPo integrate spiritual values with his royal responsibilities. This text is helpful to anyone wishing to pursue spiritual activities while continuing to live and work in society.

Its instructions convey the meaning of the Dharma in a language and style easy to understand. Despite its short length (only 123 verses), it covers the whole Mahayana path with unusual clarity and memorable imagery.
